

Why I am a good candidate to serve UBCP the union and it's members.

30 + years film and tv experience in stunts and acting.

I served 23 years on the Members Benefits Trust the only trustee to have served that long,

Held positions of chair person, co- chairperson,

treasurer and during all that time, guided the trusts finances and investments, helped to bring transparency and accountability to the trust.

Helped the then Cheif operating officer Baldev for the UBCP draft the first investment policy statement for the union.

Was asked to help union in negotiations one year.

Received a lifetime achievement award from UBCP.

Those are some of the skills and qualities I bring to the Union and the members when you vote for me Joe Doserro.
