

Hello everyone!

My name is Raugi Yu and I am seeking your vote to be elected into a Director position. I have been in this business for 37 years and a member of UBCP/ACTRA since 1999. I am on the BIPOC Mentoring sub-committee and have mentored for this program since it's inception.

Although there are many members with similar or longer histories than myself, I bring to you my history from the point of view of a BIPOC performer who quite frankly had to fight every day to continue to exist as I am today and today I am full of love AND anger. It took a long time for me to come to this balance and in the last 20 years of that journey UBCP/ACTRA became a big part of that balance. I am at a point in my career where I feel that I may be of service to you all.

I will always fight the same way for all of you.
