

Rob Hayter
Candidate statement
09/29/23

Hello folks. My name is Rob Hayter. I have been a union member since 1989. I've been a BG performer, stand-in, photo double, actor, stunt performer, and stunt coordinator... So I've seen a lot of stuff... I am currently the chair of the UBCP Stunt Committee, and the stunt coordinator on "Superman and Lois". Some of you have worked with me. Some have not.

It's a crazy time right now in our industry. Lots of challenges. Lots of questions. Lots of change. Lots of uncertainty. Lots of conflict. We've all been through a lot the last few years. It's all moving pretty fast right now, and it shows no signs of stopping. Tough spot for a new Executive Board...

To me, the root of any union is unity. We all share a common goal. To do what we love, and to feel respected and valued for who we are and what we can contribute. Communication, compassion, and respect are at the root of any successful endeavor, and right

now, we need these things more than ever. I have an established track record of being a sensible, functional human being who listens to folks. I've got some applicable experience. I will do my very best to bring respect and compassion to the table every time. Hopefully, with a little hard work and a bit of common sense, we can find some solutions to these challenges that we are all facing... together.

Peace. Respect.
