

It is with great enthusiasm that I announce my candidacy for a second term on the Executive Board of UBCP/ACTRA, this time running for the position of Secretary. During this past term, I have learned a great deal about our Union and its members, and have been honoured to be part of the work the Executive Board achieved during a time of challenge and change. My work on committees - as Chair of several and as a participant in others - has taught me the value connecting directly with our members and bringing their concerns and recommendations to the Executive Board. My keenness for procedural detail has led me to run for this position, and my interest in Governance and in discovering ways that it can more effectively support the activity of the Union has inspired me to run for Secretary. I believe that stability in our Union is crucial at this moment in time, and a degree of balance, experience, and continuity is vital to the ongoing health and well-being of our Union. I hope that you will support my candidacy and help elect me to be the Secretary of UBCP/ACTRA for the upcoming term.
